The LA DX list is moving to a new home. For the past year the MCDX Team has been doing the work of updating and improving the list and now they will also be hosting it.

This will be the last edition of the list here, as this website is in the process of being retooled for purposes other than radio DX.

You can find further updates to the list at the [MCDXT website](#) at <http://www.mcdxt.it/LASWLOGS.html>

Good luck, best wishes and 73's to all the compañeros at MCDXT

a [Mosquito Coast DX Team](#) message:
